H. Wheeler. Warrenton, July 16, 1873. My Dear Sir:—I learned a day or wo ago, from the Wilmington Jour-SAL, that the Charlotte Democrat would, in a few days, publish a reply to my letters on the Mecklenburg "Declaration of Independence." I mmediately wrote to the editor of the Democrat for a copy of the paper, ing to hand. I will briefly notice a reply of Col. J. H. Wheeler, the historian, which appeared in the JOURNAL of the 12th inst. It seems that some one has sent to my friend, the Colonel, not my letters, or any one of them, but a copy of the Journal, which, as

you will remember, merely remon-strates with me for the wickedness of ng settled historical question, with which the editors were well pleased. Col. W. states that his friend who sends him the paper says "that Good-Wheeler no Caruthers is right in fixing the date Independence." He asks, in conclusion, "if Goodloe is from Virginia?" From this piece of misinformation my friend very naturally concludes that at which I have directed my batteries Now, you will bear me witness, that nothing could be further from the fact. Dr. Tutt's Vegetable Liver Pill. Which purify the blood and remove all corrupt humors and unhealthy accumulations from the body, and yet produces no weakness or lassi-tide whatever, but on the contrary tones the stomach and invigorates the body during progress of their operation. They unite heretofore irreconcitable qualities of a STRENGTHENING PURGATIVE and a PURIFYING TONIC.

Dr. Thit's Pills are the most active and searching medicine in existence. They at once strack the very root of diseases, and their action is so prompt that man hour or two a ter they are taken the patient is aware of their good effects. They may be taken at any time without restraint of diet or occupation, they produce neither mansa, griping or debility, and as a family medicine they have no rival.
